WHO CAN ACCESS OUR DATA

External Researchers, mainly from other academic institutions. This includes, but is not limited to, the following:

- Computer Scientists
- Cognitive Scientists
- Educational Psychologists
- Learning Analytics Researchers
- Psychometrician

HOW TO ACCESS OUR DATA

If you are an external researcher planning to use our private datasets, please ensure the following steps are completed:

- 1) Principal Investigator fills out External Data Request Form
 - a. Ensure the following is completed for everyone listed as a researcher [anyone who will be using the data]:
 - i. Take the non-medical human subjects research certification class [[CITI](#)]. After successful completion, email PDF forms to brooke_pulitzer@harvard.edu or upload to External Data Request Form
 - ii. Read, acknowledge and sign the Data Use Agreement, then email PDF form to brooke_pulitzer@harvard.edu or upload to External Data Request Form
- 2) VPAL Research Committee will review request
- 3) If approved, you will receive an email.
 - a. NOTE: All External Data Requests will take at least 1 month

WHAT RESEARCH DATA ARE AVAILABLE

Public Data Sets are available to everyone. If external researchers want to publish a research paper using these public data sets, please make the appropriate citations.

Public Data Sets

Data Set	Published Reports	Supporting Docs
HarvardX-MITx Person-Course Academic Year 2013 De-Identified dataset [Filename: HMXPC13_DI_v2_5-14-14.csv]	HarvardX and MITx: The first year of open online courses	Year 1 Person-Course De-identification Process [Filename: Person Course Deidentification.pdf] Year 1 Person Course Description [Filename: Person Course Documentation.pdf]
HarvardX-MITx Person-Course Academic Years 2012-14 De-Identified dataset [Filename: TBD.csv]	HarvardX and MITx: Two Years of Open Online Courses Fall 2012-Summer 2014	Year 2 Person-Course De-identification Process [Filename: TBD.pdf] Year 2 Person Course Description [Filename: Year 2 Person Course Documentation.pdf]

Private Data Sets

Private Data sets are provided to external researchers on a case-by-case basis. Please refer to the section “How to Access Our Data” for more details.

Principal Investigators must formally request to use HarvardX Research Data. Each external request is carefully reviewed. Please refer to the section “How to Access Our Data” for more details.

Details regarding the private data sets for HarvardX Person-Course-Survey data and HarvardX Log Data are documented on Harvard VPAL Dataverse
